**20250527 TUE| THE REVELATION OF JESUS CHRIST | LECTIO MAGISTRALIS  
KEYNOTE SPEECH - ROME, ITALY | PROPHET DR. OWUOR**

[Thank you for inviting] me to give this speech here. I was tremendously privileged and humbled because, Your Excellencies, [I am] very much aware of your occupations and busyness. And this talk to you, this speech, becomes even much more important because you have taken time out of your very busy schedules in this very busy economy. This is a very, very busy economy we can recognize.

I recognize that this is a very busy economy, and I therefore recognize that you have taken time away from your busy schedules to be able to be here to listen to this very important message.

I want you to know that in the message you sent me and you said you are looking forward to hear from me on what the Lord has said, and anchored in the book of Revelation 1:1.

And so, there is no better place, better foundation for what the Lord has told me to bring to you than that particular verse. And that's why this serves me such a powerful opportunity to relay to you what the Lord has spoken.

And before I begin this speech, I want you also to know that this event we are having today sets a foundation and becomes a benchmark, a standard for all nations in Europe, and all the nations of the world. If a post-modern nation like Italy, with a very, very busy economy, judges of the Supreme Court, the presidents of respective jurisdictions can take time on a working day and say, "*we want to hear what the Lord has said,*" that is nothing short of a standard, a benchmark that should go to the whole of Europe and tell humanity from Italy, Rome here, that in all our busy schedules and post-modernism, the Lord always comes first.

So, Italy today, in this event, becomes a classroom that other nations should learn from.

You are very much aware, Your Excellencies, that the present-day life and generation has caused mankind to drift away from prioritizing their Maker, their Creator. They have put God

aside. And that's why today, as I begin this very important speech, I want to appreciate you and congratulate you, Italy for once more stepping forward and being the lead nation, from Rome here, that all nations can learn from.

Now, what has the Lord shown me that is coming to the whole world, [and] the whole earth that I want to share with you today?

I'll begin by first of all reading the scripture that you set forth in the wisdom that the Lord gave you, and you sent me that scripture, in the book of Revelation 1:1.

And I say there is no better foundation through which I can now launch to you what God has said except this very verse that God gave you by wisdom.

*Apocalypse 1:1*, He says the following. He says,

*“I The revelation from Jesus Christ,”* our Lord and blessed Savior, *“which God gave to him to show his servants what must soon take place.”* (NIV)

I know that you have seen some of the prophecies I have given that have been accurately fulfilled, for example, the prophecy of the Coronavirus. I know that you have accessed it. They have shown you some clips here, the prophecy of Coronavirus, and the global impact until today.

Other prophecies like the Haiti earthquake, the earthquakes in this country of Italy that I prophesied and was fulfilled accurately. And I gave including the specific details, that *“when it is fulfilled this is what you'll see on CNN, this is what you'll see on Rai News, this is what you'll see on Euronews, Al Jazeera, BBC: Blue windows, blue windows”*, in that prophecy. That you will see blue windows. Incredible! And when it was fulfilled, even me I was shocked to see blue windows on CNN, BBC, Rai News. And many other prophecies — Myanmar earthquake, the Ukraine war, Gaza war.

For example, when I gave the prophecy of the Ukraine war — that is war coming to modern Europe. Unthinkable. War coming to modern Europe. If you want to see when God speaks, it is in the details, details. And I said that the Russian president would come out and would say, *“These are our people, they have our culture, they speak our language.”*

I had gathered senior leaders from all over the world in Nairobi, Kenya in a conference, and then I gave them that prophecy. So, it was actually incredible and amazing to watch the news many months later, when now the Russian president came out and said, *“These are our people, they speak our language, they have our culture.”* Word for word, accurately. Word for word.

So that is the background with which I come to you today. The Lord Almighty, indeed, has spoken with me about what is coming to happen to the earth; and I want to walk you slowly that you may understand the meaning of the message that is coming to you today.

And Your Excellencies, under your authorities, respective authorities, you are going to realize that this message has an instruction to you as an authority.

Many times, I go to the nations and speak to the populace, the population. And sometimes, because of the busyness of Your Excellencies, I don't reach this class of the society.

But today it's going to come out very clearly globally because we are [streaming] global, that number one, Italy, from Rome here, has set a standard for the Lord. That, number two, when the Lord speaks, the message is for the whole world, the leaders and everybody. That number three, there is actually an instruction to Your Excellencies, the high class. And as you are going to see tonight here, Your Excellencies, the authorities of this land, you have a greater responsibility in this message God has spoken.

Now, in order to unfold to you what the Lord has said is coming to the earth, and Italy... To begin with, in this scripture....

Before I tell you what the Lord said, that this scripture is talking about what God, God the Father Jehovah has said, and being transmitted to His people.

In other words, the reason the prophecies I give are fulfilled accurately is because they are of divine source. They come from the Lord Himself.

So, today the Lord Almighty is speaking to the authorities in the land. And He's going to equip you with this instruction, that you may bring the necessary change in this land at this hour.

And number two, you see that sometimes the Lord speaks directly as He is doing to me, and sometimes through the angel, as you see in this scripture you sent me. But the purpose is one, that He may be able to redirect His people. Right now, we live in a generation that really, really needs redirection.

Now the Lord has spoken with me about the glorious coming of the Messiah. This is the message you have invited me here to deliver to you. And in this conversation about the glorious coming of the Messiah that is the most important day the whole..

The reason you were created by Jehovah is that one day you will prepare appropriately by receiving Jesus, and enter the Kingdom of God.

There is nobody on this earth that ever longs to end up in the lake of fire. And that's why this message today is the most important message that this generation can receive.

I will share the details the details of one of the conversations because in this scripture, and the topic of this lecture that you sent me, and the scripture that you sent me, He says, "*the revelation that has been revealed about Jesus, the revelation that the Lord has revealed of the things that must, must happen, must happen, must happen.*"

The Lord Almighty has spoken to me about the return of the Messiah, and as you will see, as we progress, it comes with tremendous responsibility.

In the conversation about the coming of the Messiah, the Lord has shown me the type of church He will take, and that becomes an important reference point for the generation. I have seen the Lord glorify the church, [an] event that is about to happen, and that church is glorified, [it] is a holy church, [a] holy church. So, in other words, in telling me what is about to happen, must happen to the earth, the Lord has sent me to Your Excellencies to bring to you the instruction on preparation; *“How do you prepare the nation of Italy in your respective jurisdictions?”*

I want you to know that your being elected, your election by God, your appointment by God, in your respective offices, is done by the Lord.

Before I go into the details of one of the visions that I want to share here today, the things that must happen to this earth... the Lord Jesus gave one of the most stunning speeches ever given in the whole world until today, Lectio Magistralis that He gave, and no other speech has ever been given bigger than that speech, when He said that ***“All authority in heaven, and all authority on the earth has been given to Him, Jesus.”***

People have given speeches and won Nobel Prizes, but nobody has ever given a speech bigger than that speech, that ***“All authority ever created in heaven and on earth belongs to Jesus.”***

Your Excellencies, that's the point of entry of this lecture, Lectio Magistralis, into your jurisdictions, because essentially the Lord came...

The authority you exercise in the Supreme Court, you exercise in the lectures, in the governor's office, in the mayor's office; all the authority that you have in your respective jurisdictions, — as advocates, as doctors, all that authority comes from Jesus.

Let us clap to the LORD. Hallelujah!

That is the point of entry. That is where your relevance is being called upon in this mighty move of God.

Just recently I walked with 183 total, total African cripples. African cripples. In Spanol they say, “*cojos, cojos Africanos.*” Their legs are weak like ropes; they cannot stand up. They are in the *polvo*. The African cripple is in the *polvo*. But at one decree of the eternal Blood of Jesus, this authority that I'm talking about, they stood up, and I walked with them!

Why is the Lord doing that: Breaking Bible record, *Rompere il record biblico*. Setting a new record? Because He's looking for your attention.

He says that all the authority you exercise in the Supreme Court, in your respective offices, is delegated by Jesus. *Delegado*. Delegated, that you may go out and make disciples of nations. In other words, the authority you have today is given to you by Jesus to be able to advance His kingdom. And that's why today. I'm going to give you the instruction that appertains to your jurisdictions.

Now, in the vision the Lord showed me, I want to share *specifico*, that you may know it is a particular event. For example, January 15th, 2017 in a vision of night, the Lord showed me how the Messiah will come in His glorious glory of His return. And when He came, He stopped in the sky.

You asked me to come and tell you, “*What are the things that must happen, about to happen and must happen?*” This is one of them [that] I'm sharing with you, an event that will change the universe *totalmente* eternally, because after that event that is celebrated in prophecy in the Bible, it's called the rapture of the Church. And that's why, if you have jurisdiction of authority delegated to you by Jesus, this is the purpose— to prepare people for the coming of the Messiah.

So, in that vision, what happened is this. I see the Lord come in the sky. So, in that tremendous vision, again the Lord comes in the tremendous, infinite Glory of His return. And He comes in the sky.

If Randy will put [on the screen] when I'm transfigured in Kakamega, they will have a little bit of a glimpse of what it may look like, but even more immense. Okay, like this. But, this is me, the Lord glorifying me.

So, you can imagine, how much more glorious the Messiah when He will come back! If He can glorify His messenger this much, the one speaking to you today, caught on TV camera, then how much more glory of His return am I talking about? So, you begin to understand what I'm talking about here. He's coming with immense Glory.

And focus on me now, Your Excellencies.

Then I see the church He takes from the earth. It is a holy church, a righteous church, a mature church, a church that is not worshipping idolatry like the church in Rome. That's why I have come.

God really loves you, to bring me to warn you before this event.

And the Lord is saying that the church I saw Him take is a holy church.

Now we live in a generation where it is obvious that there is no holiness in the church. That is your point of entry. Because in that speech, that noble speech Jesus gave in Matthew 28:18-20, He said, "*all authority belongs to Him, in Heaven or on Earth.*"

Whether as a parent, as a teacher or as a judge, whatever authority you exercise, beginning from your own homes, Your Excellencies — have you led your children and family to Jesus. Have you drawn your family to Jesus, to repent of sin and receive Jesus and be holy for the coming of the Messiah? In your jurisdictions, where you are exercising and practicing? Even as a political leader, with the head of a political party, have you used that authority to advance the virtues of Jesus? Virtues. Righteousness, Holiness. Repentance.

Have you used that authority to call Italy to repentance?

Why am I saying this? Everybody, focus here for a moment.

Look at what is happening. Right now, in this age....

Hallelujah!

And thank you for your very sacred time, the opportunity cost of being here. I understand because this is a busy economy.

It is obvious that the Lord is calling upon you to play a part in preparing Italia for His coming, because it is Him that gave you the authority you are exercising.

And yet, look at why I have come to you today. In Europe today and in this country, we need to pray for the forgiveness of sin. We need to cry to the Lord to forgive us as authorities, as Excellencies, as leaders in this land, because in this land, Your Excellencies, you have taken the authority Jesus has delegated to you, *delegato*, delegated— He can take it away, and you have used it to legalize homosexuality. You have taken the sacred authority of the LORD in this land, and in the name of alternative lifestyle or multiculturalism, alternative lifestyles... He is saying, He has delegated to you authority in your respective jurisdictions.

You should ask yourself; *as a journalist, as a lawyer as a judge as a banker, how have I used the authority the LORD has given me?*

It is obvious in this land that you have used the authority JESUS has delegated to you to legalize abortions. So, what you have today, you have a genocide happening in the cities of this nation on a daily basis. You have children being cut in the wombs. The neck is cut, some the head is stabbed. Some of them they open the womb and stab the head. Some of them are burnt by chemicals in the wombs. And you put it together globally, and you have a total genocide. Hundreds of thousands of people are being murdered. Blood is being poured in the name of “*my choice, my choice, my choice.*”

You have taken the authority that JESUS has delegated to you, and used it to cause a genocide, to cause murder, to kill. And you have done legislations in the National Assembly, and in the camera of the Senate, and you have legalized, you have entrenched it in your law that it is allowed to kill.

That's why I said that if the LORD has shown me what is coming, that HE is coming to take the Church, the things that must happen soon, then what is your role? And then you see how the authority has been abused.

Today in this country, there are two types of pregnant people checking into the neonatal clinic, because you have entrenched it in the law. There are pregnant men today that have done a surgery and taken the private parts of a woman and they are now pregnant, and yet there are also pregnant women walking together with pregnant men in this land.

The LORD is saying you have a role. You have a role in this movement of GOD, to call this nation to repentance; to say artificial intelligence aside, post-modernism aside, but we have a Creator. We have our GOD. Italy was created. Italy has its Creator that has existed from Eternity past, before artificial intelligence came, before modernismo came. That is why I have come to you.

You have asked me, *“Can you come and tell us the things that the LORD has shown you that must take place, about to happen?”* And the LORD has showed me how HE will take the Church. It is about to happen. It's called the Rapture. He will Glorify those who are holy. And He will take them to the kingdom of GOD, according to this unfailing word of GOD. Unfailing. And so that is what is about to happen.

And the Prophecies I gave of war in Ukraine, war in Gaza, war in DRC Congo, war in Sudan, those prophecies, all these prophecies I have given and fulfilled accurately. All these prophecies I have given and fulfilled accurately, including the prophecy of COVID that shook the whole Earth, that is the LORD giving a small window, a glimpse, into what is coming, what is about to happen to the earth.

After the Church is taken, there is a Tribulation. It is in the Bible. And it does not matter, Your Excellencies, what your rank is or your wealth is; social status. All of us are created by JEHOVAH, the GOD of Israel. And so, He requires from us obedience to this instruction, that *“the Rapture is about to happen, and judgment is coming. Use your authority, delegated by JESUS, to prepare your respective jurisdictions for the coming of the Messiah.”*

The LORD is saying that right now in this nation we have used multiculturalism to now promote idol worship, idolatry. How shocking is that?

I think if there is an instruction that is coming from this message of what is coming to the Earth is that Italy needs to enter the sackcloth and start repenting, because from this city you have also advanced idol worship. The LORD says, *“I am the way, the truth and the life.”* I am! Only Christ. There is no other way.

Can I repeat this? Inside Rome, to the Excellencies, to the authorities of this land, this land is guilty of idol worship. And if you look at the Bible one of the sins the LORD says flee, run away, don't handle it, just run away, is idol worship. And in this land, I am now announcing that the LORD said *“I am the way.”* Not, I am one of the ways. Not at all. I am the only way! I did not find where he said Pedro is the way or Virgin Mary is the way. I did not see that. Not at all.

And so, on that context alone we need to call for a national Repentance in Italy. Because I know all Italians want to end up in the Glorious Kingdom of GOD. Their intention is good.

In this nation right now, there are destitute. There are poor people that are not attended because the economy is modern, fast paced, moving fast. There is no time for the weak. The LORD is calling for Repentance.

Why have we not taken care of widows and orphans.

The LORD is saying that there is rebellion in this society — it's a revolt, because of modernism and post-modernism. Now, it is normal to live a sinful life in Rome. And they

don't feel anything, it's alright. Why? Because of the way we have incorporated *modernismo* into our lives. The LORD is calling for separation, repentance, and living a separated Christian life. The fact that we have idol temples in this land is reason enough to call for a National Repentance.

And so, I want to share the following. I want to share on what is coming. Step by step.

Now the Kingdom of GOD is coming. That is in the Bible, in the Prophetic timeline of GOD. Even you, as authorities in Your Excellencies, you look at the events, the global events, and you tell that this is different. We have never been here. Something is about to happen. And I have said that the Rapture of the Church, the coming of the MESSIAH to take a holy, holy, holy Church, because the Bible says, "*For without holiness, nobody,*" I repeat, "*nobody will see the LORD.*" And so that's why we are all being called upon today to serve the Holiness of GOD — Holiness and righteousness. And then after the Church is taken there is unbelievable judgment that is coming to the Earth.

I have seen Glorification. I know the LORD has glorified me in this age. Even in Helsinki, in Kakamega. But I have seen the enormous Glorification of the Church on that day.

Listen to me Your Excellencies. With all the honor that I accord you.

What is the instruction by GOD showing me what is about to happen, Glorification and then sending me to Roma, to Italy, to speak to the authorities?

This is the instruction.

When you read the Bible, in the Bible you find the Old Testament saints, they simply heard the Prophets of the LORD prophesying of the coming glorification, they simply heard; they did not see JESUS coming, going to the Cross, and dying, and being Glorified. They did not see. They simply listened and heard the Prophets of GOD, like Isaiah, prophesying that "*one day in the future, the MESSIAH will come, He will die for you, and Glorification.*" And when they heard that Prophecy that there is a Glorification coming for entering the Kingdom of

GOD, that hope beyond the rotting flesh that dies and rots here; when the Old Testament Saints heard that promise of Glorification that I'm giving you today here as about to happen, [when] they heard they were willing to die for the Faith. It made Daniel enter the lion's den, my LORD. He said *"No, I cannot renounce my Faith in the LORD because I'm a Prime Minister."* A big office. Like the office of Daniel. Prime minister. With all the instruments of power. But when he heard the promise of Glorification, then he accepted, when the told him renounce your Faith, he accepted the lions to eat him, my LORD. He accepted lions [to eat him].

I am saying, what is the instruction? That is the instruction, that there is no greater promised than the promise of Glorification, to share eternity with God. There is no other prophecy, or promise that is bigger than this promise of Glorification. So that is the instruction I have brought you.

You told me, *"Can you come and tell us what the LORD has shown you that must happen and is about to happen?"* And I'm now sharing with you including October 18th, 2021. I was preaching in a global telecast like this, and then [at] 3 o'clock East African time at night. I became tired and I told the bishops that were in the studio that *"Allow me to sit on this chair and rest a bit, I'm tired."* And look now, I fell asleep like this on the chair. And about 12 meters away I saw the Glory of the LORD. Tremendous Glory. And then with his voice He spoke, and He said *"Go tell these people that when the rapture takes place, they will have bodies like Mine."*

But when I looked in that vision HIS body is Glorious. Totally glorious. Enormous. So, I understood He's saying *"Go tell these people that when that day arrives, they will have a Glorious body like Mine."* And so, when you ask me to come and tell you what is about to happen. That is the message.

Rome is like a capital city of many nations, really, because I can see it's cosmopolitan. Everybody is here.

And He's saying, that *“Go tell Rome, the authorities in Rome, the Excellencies that will sit before you that this is what I have said, that very soon there is going to be [the] Glorification of the Church. And I have given evidence of that by Glorifying you in their eyes — evidence, my LORD — that they may believe. And tell them that when that day will happen, they will enter the Kingdom of GOD.”*

And so the instruction you are taking home Your Excellencies into your respective jurisdictions, with the authority the LORD has delegated to you, is the following; that every generation that was given that promise in the Bible, the promise of getting a Glorious body to enter into Eternity with GOD, away from the *amorte*, the cancer, diabetes, tumors, metastasis here, outside of this; [an] eternal Glorious body that is not subjected to death or sin.

The LORD is saying, Your Excellencies, that every single community and generation that are given that Prophecy, that promise, they accept to die for that promise because they know that this life is temporary, is *mortale*. And that's why Daniel accepted to be thrown into the lion's den, when he remembered the promise of Glorification by the MESSIAH. Shadrach, Meshach and Abednego accepted to be thrown in the lake of fire, in the furnace, because of that promise. They said *“No, I am going to stand for the LORD JESUS no matter what, because I know on that day HE will glorify me and I will live eternally in the Kingdom of God.”*

When you look at the disciples of JESUS, because of the promise of Glorification they accepted to be crucified, some of them right here in the arena. Right here in the arena. They said, *“No, I cannot renounce the santidade de Jesus, I cannot. I cannot renounce the holiness of Jesus. I must worship JESUS. I must stand with JESUS because on that day He will Glorify me.”* In the arena here, arena in this city.

And so that is your instruction, Your Excellencies, that in the face of this which is about to happen that you have called me to tell you, you must now go back to your jurisdictions and stand with JESUS, and renounce sin, renounce sin in your jurisdictions and install Righteousness and the fear of GOD, *temor de Dios*.

You have a role. You are role models in this society. Just by living Righteous and Holy, many of your subordinates will be Holy.

And so, in finishing. In this scripture you sent me as the theme, you said “*Come and talk to us about Revelation Chapter 1:1, the things the LORD has revealed to you that are about to happen.*” In that scripture, “*The revelation from JESUS CHRIST our Lord and blessed Savior which GOD gave to HIM to show HIS Servants what must soon take place.*” You see the message is this, *Shown for Transmission*. The target is the people of The LORD. What the LORD has shown me is for the people of this nation. That is the only reason the LORD speaks with me, that when I come and share with the authorities, you will use the authority JESUS has delegated to you and transmit it to the people of GOD.

Your Excellencies, can you imagine if one of you transmits this message, “*The MESSIAH is coming, let us receive JESUS and be Holy*”? In each of your enormous jurisdictions, and influence, can you imagine the type of revival?

Right now on the screen he is showing you the number of people that gather in 130 acres, repenting and receiving JESUS, and being baptized, and they are aware the MESSIAH is coming. They know. Information is power. That's why I come to give you the information. Because once you will know that the MESSIAH is coming, this is the information. This information will inform how you execute your life. It will inform how you manage your families. It will inform how you do your duties in your respective offices. They are preparing for the kingdom of GOD.

Do you think the Kingdom of GOD was meant for Kenya alone? Not at all. This is why I have come, that the LORD may do a *grand coseccia*, a *grand collierta de almas* here also, for the Kingdom.

The Cloud of GOD has come, and I gave that Prophecy. And when HE came, HE rained only around the tent. Do you think that JEHOVAH is supposed to come to Kenya alone? Not at all. In fact, when I looked at the disposition of the hearts of the blessed Italian people, the very

honorable Italian people, then I understood that your revival is supposed to be even greater than Kenya.

The LORD has sent me here. To bring you hope. Hope. To let you know that beyond the cancers, beyond the diabetes, hypertension and the divorces and the problems of this city and this nation; drug addiction, there is hope. The Kingdom of GOD is coming.

So may the Lord bless you. I finish by saying this. When HE says *“What must happen.”* If I had time to read Revelation 3:11, HE finishes by saying, *I am coming soon.* So, you called me here to tell you what the LORD has revealed to me that is about to happen, this is it. The LORD your Creator, your GOD, the one Who gives you breath every morning, the MESSIAH, who died for us on the Cross and delivered us from sin, HE is coming back soon. And that means there is an immediacy. Immediacy. As you go out, Your Excellencies, and I'm very highly honored to speak to such a high delegation, this is the highest delegation I've spoken to. This is the most high [delegation] that I have spoken to. So, as you go out, you have heard that the message is on Repentance and turning away from sin and walking in Holiness. And that all authority you exercise is actually delegated to you by JESUS. But the LORD now puts the ice on the cake, He finishes it by saying, *“I am coming soon.”* Soon.” Meaning there is an immediacy, an urgency, an imminency. It can happen when we are here, because the Bible says *“Nobody knows the day or the hour.”*

I want to say the following. On behalf of the chair of this panel, the co-chairs, in this very, very important speech that the LORD has allowed me to share with you, I want to say thank you. Thank you for your audience.

And I want to say that may the LORD bless you. May the LORD bless Italy, that the Catholic Church may repent, and stop worshipping Mary and Peter. ...Rome.

Before I go out, I request you to stand up for one minute. And I ask you all to repeat this prayer, that we may go before the LORD. Repeat all of you say,

*Mighty LORD JESUS, I repent my LORD JESUS, and I turn away from all sin. And I receive you my LORD JESUS inside my heart, as my LORD and my Savior. LORD keep me away from sin, all sin, including the sin of idol worship, and prepare me for Glorification. Prepare me for the Eternal Kingdom of GOD. In the Mighty name of JESUS. I am born again.*

Hallelujah.

Okay, one last thing. Your Excellencies, I want to say the following. We are going to have a photo session with all of you here, that this may act as a standard for all the nations of Europe and the world.

But I want to finish Your Excellencies by saying that the LORD JESUS said, He said in **Matthew 24:35** that *“Heaven and earth will come and go away, but my words...,”* the words of JESUS, *“will last eternally.”* So let us anchor our lives not in artificial intelligence, not in *medicina*, but in the LORD, the words of the LORD.

Let us anchor our lives on the kingdom of God. Grazie. The LORD bless you. Thank you. Thank you, indeed. Thank you.

We are going to have a photo session. Don't go until we've taken a photo with you, for this very important symposium, because we are going to make it an annual conference. Annual briefing. Every year at this time I will always make my way to Rome and have this briefing for the Executives, because even you must enter. The LORD sent me to you. Thank you very much. The LORD loves you.

Thank you. Toda rabah. Baruch Hashem Adonai. Thank you.
